

WCA 2016

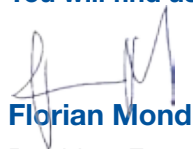

28 August - 2 September, Hong Kong

The World Congress of Anaesthesiologists 2016 will take place in the vibrant city of Hong Kong. WCA is a major international event covering the latest research and findings in anesthesia, pain medicine and intensive care. This exhibition provides the perfect platform for Getinge Group to showcase Maquet infrastructure and therapy products for the ICU.

Getinge Group is a leading global provider of innovative solutions and with a genuine passion for life we build quality and safety into every system. We have a long experience in supplying state-of-the-art intensive care ventilator and anesthesia delivery systems for all patient categories. Our anesthesia delivery on the level of ICU ventilation performance is paired with outstanding anesthetic agent efficiency. In addition, we offer Advanced Monitoring solutions for hemodynamic management of unstable critically ill patients in the ICU and OR.

Please come along and meet with us.

You will find us in booth 213 B.
